RE: BORETTA CONSTRUCTION LTD.

Our hospital has recently completed a sixty (60) bed expansion and renovation project with a cost of approximately \$7.5 million.

The general contractor for the project was Boretta Construction Ltd. Our experience with this company has been one of cooperation, compromise, satisfaction, and support. All issues have been discussed and resolved in a professional manner.

We do not hesitate to recommend Boretta Construction Ltd.

Yours truly,

Mr. J. Koschuk,
Assistant Executive Director
