To Whom It May Concern:

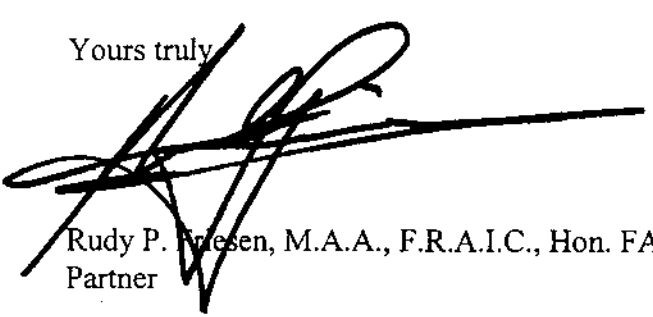

**Re: Boretta Construction Ltd.**

It is a real pleasure to provide a reference for Boretta Construction Ltd. Friesen Tokar Architects has been involved with Boretta on a variety of projects, including:

- Woodhaven Toyota
- Golden West Centennial Lodge addition
- Bethania Haus
- Kingsford Haus addition and renovations
- Lions Manor, Stonewall, Phases 1 & 2
- Woodhaven Manor, Steinbach, Phases 1 & 2
- Fisher Personal Care Home, Fisher Branch

Their standard of workmanship has been good and we have found that their projects have been generally completed on schedule. Whereas we generally have considerable difficulty with contractors finishing off projects and rectifying deficiencies upon project completion, we find that Boretta Construction Ltd. makes considerable effort in this regard. We have had a very good working relationship on these projects and are, therefore, pleased to recommend Boretta Construction Ltd. for similar projects.

Yours truly
