Letter of Reference from Good Shepherd Parish

To whom it may concern:

Our working relationship with Boretta Construction has been very good throughout the construction process. In particular, we have appreciated their attention to budget considerations, and their participation in the design process which I am sure helped us get the most building possible for our money. Their concern for quality is also greatly appreciated. I would conclude by saying it has been a pleasure doing business with Boretta Construction every step of the way.

Rev. Wayne Morrissey
pastor
