Re: Boretta Construction 2002 Ltd.

We are very pleased to provide a letter of reference for Boretta Construction 2002 Ltd.

We have been associated with Boretta Construction on several projects over the years. Most notably: the Gimli Health Centre and the Gimli Personal Care Home in Gimli, MPI Physical Damage Center on Plessis Road in Winnipeg, Super 8 Motel on Hwy #1, and several other projects.

We have found the staff to be very professional, knowledgeable and co-operative in their working relationship with the various trades, owners, and Consultants. They have always provided a high standard of workmanship at a competitive price.

We would recommend Boretta Construction 2002 Ltd. for anyone considering engaging their services for any new or renovation work.

I would be pleased to provide any additional information as required.

Yours truly,

*Lloyd Mymko, CT (Arch)
