Dear Mr. Fast,

I am writing this letter to express my satisfaction with your company on the construction of our new 70,000 square foot warehouse.

The construction went according schedule and appropriate building practices followed. The on site super was very knowledgeable and co-operative. The coordination between your on site staff and The Seagram Company was handled in a professional manner and all discrepancies were resolved to our mutual satisfaction.

I would not hesitate to use your services again should the opportunity come about again.

Sincerely,

Michael Duggan
