To Whom It May Concern;

Re: Boretta Construction Ltd.

I have had the opportunity to work with Boretta Construction Ltd. on a number of past and current projects, both large and small. The experience, integrity, and professionalism Boretta brings to each job has, in every instance, proven to be an indispensable asset. I have learned to rely on Boretta's input and feedback, and I have found them to be more than willing to reach a compromise when unforeseen problems arose.

It is therefore, without hesitation that I provide this recommendation and reference for Boretta Construction Ltd., and look forward to working with them on future projects.

Sincerely,

TRANSCONA-SPRINGFIELD SCHOOL DIVISION NO. 12

Brian Barnes
Supervisor of Building and Maintenance
