RE: LETTER OF REFERENCE - BORETTA CONSTRUCTION

TO WHOM IT MAY CONCERN:

Raymond S.C. Wan has had an architectural / contractor working relationship with Boretta Construction since 1998. Our positive affiliation has led to the successful completion of many projects such as Southward Villa in Kenora and Park City Meadows in Winnipeg, other proposed pcurrent projects include, Oakbluff Estates and the Accessible Housing Coalition. Boretta has proven themselves to be an able construction firm dedicated and committed to the sucessful completion of their projects.

We are quite impressed with Boretta Construction's ability to perform in a professional manner and their ability to monitor and maintain construction budgets. Their keen awareness to foresee potential site conditions and bring them to the attention of consultants is also commendable.
